

Financial freedom for your employees

Meet the Team

PRSHANT BATRA

Chief Executive Officer

Prior to WageFi, Prshant was Head of Implementation at Marcus (by Goldman Sachs) leading the development of the decision engine for Apple Card, GM Card, Personal Loans and Deposits business. He has more than 10 years of experience in financial services across multiple roles in risk, data, oversight and tech.

CHIRAG ARORA

Advisor

More than 20 years of experience leading teams and building two companies from scratch focusing on B2B Sales.

ED PAGANO

Advisor

17 years of experience building at-scale softwares for financial firms with exceptional focus and discipline

Opportunity

Employees pay **billions in interest and fees** waiting for their next paycheck

Banks charge $12B in overdraft fees annually	**Payday Loans cost $9B in interest annually**	**40% Americans can't cover $400 emergency expense**

This **financial stress** causes **$300B in annual cost** to employers due to lost productivity

Our Solution

A **B2B SaaS tool** which seamlessly integrates with employer's existing financial platforms and gives the following benefits to all their employees

Instant Payments

Employees get a virtual debit card that can be used instantlly

Earned Wage Access

Employees can access their wages on-demand

No Fee

We will never charge any fees or interest to employees

How it Works

STEP 1

Employer connects

- Payroll provider (required)
- Expense software and bank (optional)

STEP 2

WageFi imports employee data

We start creating a payment network for the employer by issuing cards to all employees

STEP 3

Account Setup

Employer selects a benefit plan that they would want to offer their employees

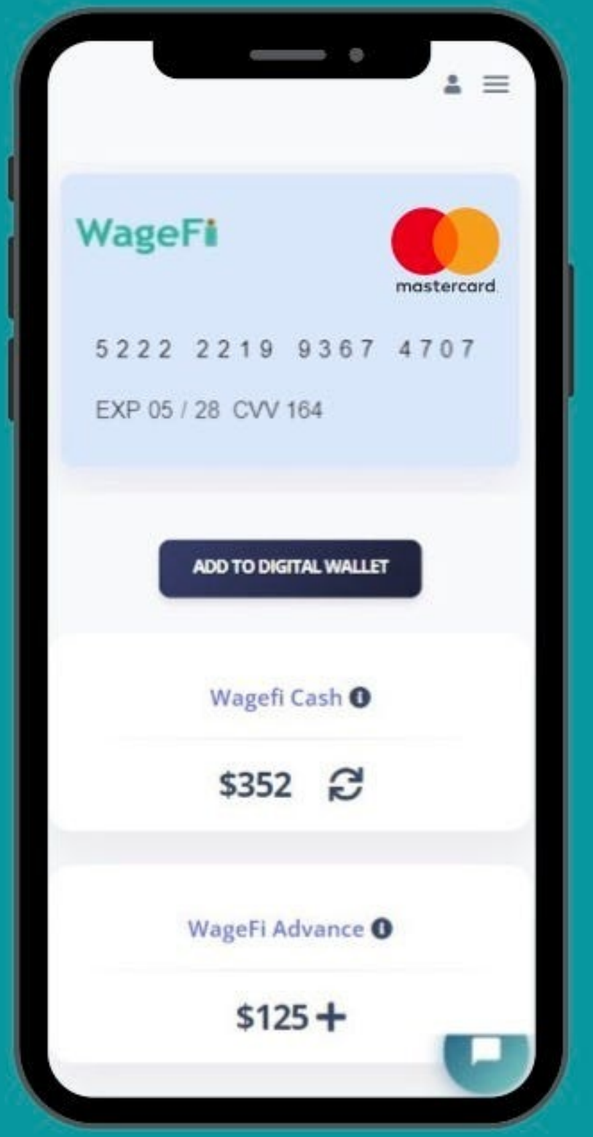

STEP 4

We invite employees

We invite all employees at ABC Plumber to get access to the platform

Employee Benefits

- Get instant access (Virtual Card)
- No need to sign up for a new Bank Account
- No interest
- No credit check
- No late fee

Why now ?

01 Increasing number of Gig Workers

36% of US work-force

02 Real Wages are falling behind

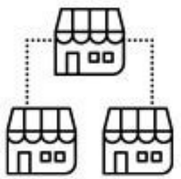

Real Wage growth for independent workers has slumped over last three decades

03 Technical Infrastructure

Current landscape of APIs allows for a seamless integration to end-user's payroll

How we will grow

Growth Strategy	How ?	Why do they care ?
 Payroll Providers	By building Strategic Partnerships and API based integrations with major payroll providers in US	• Additional source of revenue • Added feature-set for their user base
 Referrals	Onboard employees without employers and then offer them bonus to get employer/colleagues onboarded	• Referral Bonus • Path to grow their spending limit
 Small Business Owners	Outbound prospecting and Inbound digital lead gen starting with service industry (HVAC, plumbing and construction)	• Lower financial stress and improved productivity • Added perk to attract new talent
